Welcome to Youngs Dental Practice...

Our treatments are as individual as our clients and so we offer a wide range of options that include the very latest in modern treatments and technology.

We believe that one filling is simply one filling too many and so we look at every aspect of your dental well-being to ensure the very best, most cost effective treatment for you and your family.

Young's is a family-run dental practice that has been serving the people of East Yorkshire for over 30 years. We are one of the UK's leading Minimal Intervention Dentistry (MID) Practices and are proud to have won several awards including the ORAL- B Preventative Practice of the Year, A Gold Award from the British Dental Association for the Good Practice Scheme, as well as being chosen as one of the top 10 Most Innovative Dental Practices in the UK.

As well as our normal dental services we also offer a range of additional services and treatments including:

- Cosmetic treatments
- Teeth whitening treatments
- Solutions for both grinding and snoring problems
- Drill free alternatives for fillings and other corrective work
- Mild hypnosis and other relaxation techniques for nervous patients
- Kids club for 6-18 year olds
- Free treatment for under 5s
